Integrated solar panel, LED, lithium battery, micro-controller and other accessories into one system, simple and stylish. Combine light control system and time control system perfectly, ensure whole ...

Discover the reliability and convenience of our Solar Powered Generator Kit, featuring an 80W portable power station and a versatile 30W foldable solar panel. Elevate your outdoor experience with this ...

Luxman S3 Series 80 watt outdoor solar powered street lights utilize the most cutting edge technology with the high efficient poly PV panel, ultra brightness LED module, long lifespan LiFePO4 battery, ...

This eco-friendly solar street light works for 12 hours at night and runs for 3-5 rainy days, and requires no cabling or onsite assembly, making it ideal for pathways, parking lots and remote-off grid locations.

The 80 Watts Athens Solar LED Street Light features an all-in-one design function, a low profile design with PIR/microwave motion sensor, and a smartcontroller all built in with bifacial solar panel.

Our solar lighting series combines efficiency, durability, and ease of use, making it an ideal choice for outdoor lighting in various environments.

The 80W All-in-One Solar Street Light is a powerful, energy-efficient lighting solution designed for large outdoor spaces. Featuring an integrated design, it combines a solar panel, LED light, battery, and ...

EXCELLENT COMBINATION: The combination of MARBERO solar panel 21W and MARBERO power station M82 is ideal for overnight stays outdoors or long periods of time away from home where ...

Ideal for area lighting, it features a high-performance Lithium iron phosphate battery, a mono solar panel, and LEDs delivering 196 lumens per watt. Advanced motion sensors enhance energy savings by ...

Depending on different power situations, this energy storage system is designed to generate continuous power

80W outdoor solar all-in-one machine

from PV solar modules (solar panels), battery, and the utility.
