Manuals and User Guides for Huawei SUN2000-150K-MG0. We have 3 Huawei SUN2000-150K-MG0 manuals available for free PDF download: User Manual, Quick Manual Huawei SUN2000-150K-MG0 Pdf User Manuals. View online or download Huawei SUN2000-150K-MG0 User Manual

How do I set up a fusion solar inverter?

Choose Monitoring &gt; Inverter &gt; Running Param., set running parameters, and click Submit. For details about the parameter settings, see the SmartLogger3000 User Manual. For details, see Downloading and Installing the App in the FusionSolar App User Manual. FusionSolar App User Manual. For details, see FusionSolar App Quick Guide.

How do I unpack the inverter?

Step 1 Take the inverter out of the packing case and move it to the installation position. After placing the equipment in the installation position, unpack it with care to prevent scratches. Keep the equipment stable during unpacking. Handles are packed in a fitting bag and are not delivered with the inverter.

How do I choose a solar inverter?

Select cables in accordance with local cable specifications (green-and-yellow cables are only used for protective earthing). A PV string consists of PV modules connected in series. The inverter supports 21 PV string inputs. The SUN2000 communicates with the management system through the SmartLogger. Select a proper model as required.
