Can free solar panels bring you in on a deal of lifetime?

Sunlight is one of the most widely available resources on the planet. With recent investments and advances in solar energy technology, more Americans than ever before can harness the sun's rays and power up their homes and businesses. Riding this historic trend, some are even claiming they can bring you in on a deal of lifetime: free solar panels.

Are solar panels free?

The Department of Energy is aware of claims of offers for free solar panels or that solar companies must provide solar panels for free if requested. However, the federal government does not offer any programs for free home solar panel installations nor does the government require companies to grant solar panels for free to customers.

Is the US government giving away free solar panels?

The US government is not giving away free solar panels or paying people to go solar, no matter how many random YouTube and Facebook ads say otherwise. This scam is usually a misrepresentation of the Residential Clean Energy Credit (aka solar tax credit). While this is a great incentive, it can hardly be considered "free solar panels." Here's why:

Does the Department of energy offer free solar panels?

The Department of Energy and the Solar Energy Technologies Office have got you covered! The Department of Energy is aware of claims of offers for free solar panels or that solar companies must provide solar panels for free if requested.
