Are there lifeguards at Muir Beach?

Located on the Pacific Coast three miles west of Muir Woods, Muir Beach is accessed over a 450-foot long pedestrian bridge that connects the parking lot to the beach, the Coastal Trail, and Kaashi Way, which is multi-use and accessible. Always watch the waves. There are no lifeguards at Muir Beach.

Where is Muir Beach?

Muir Beach is a quiet cove, beach and lagoon favored by locals. Located on the Pacific Coast three miles west of Muir Woods, Muir Beach is accessed over a 450-foot long pedestrian bridge that connects the parking lot to the beach, the Coastal Trail, and Kaashi Way, which is multi-use and accessible. Always watch the waves.

Is Muir Beach Open to the public?

Its trails are all open to the public. Muir Beach weather is very similar to the weather in the side of San Francisco that faces the Pacific Ocean. Mornings are often foggy, especially in summer. Many afternoons the fog clears for several hours to create gorgeous vistas, although it may return in late afternoon or early evening.

What is Muir Beach overlook?

Muir Beach Overlook provides expansive views of the Pacific Coast, including the Point Reyes Peninsula. Visitors can also explore several historic base-end stations, observation posts that were part of the San Francisco Bay coastal defense system.
