In my previous role as a cook at General Cuisine, Inc. I focused on egg-based dishes. The word "leaps to mind but I would not blink if someone used "in." The crux of the matter is that ...

The role of the two parties involved in a legal proceeding, peculiar to the adversarial system of trial, can help circumscribe whether or not a trial proceeds in a fair and unbiased fashion.

According to Merriam Webster's dictionary, cast can have the following definition: "to assign (someone, such as an actor) to a role or part." In this case, the past tense of cast is being ...

Flat plate photovoltaic/thermal (PV/T) solar collector produces both thermal energy and electricity simultaneously. This paper presents the state-of-the-art on flat plate ...

vs X also plays a role of (job-function). My opinion is that "plays a role as" indicates a greater impact on the role and the company, whereas "plays a role of" is more "does the job." My old ...

You know, when we talk about solar panel installations, most people immediately think about photovoltaic cells or inverters. But here's the thing - without properly engineered pressure plates, ...

Therefore, an accurate and systematic research on bending behaviour of photovoltaic panels is important and necessary. In this paper classical lamination theory (CLT) considering soft ...

Abstract: Currently, the use of photovoltaic solar energy has increased considerably due to the development of new materials and the ease to produce them, which has significantly reduced ...

The American Heritage Dictionary of the English Language gives four definitions of role, the first of which is

# The role of photovoltaic pressure plate bending plate

also rôle A character or part played by a performer.

The meaning of "role" in the sense of "part played by a person in life" derives from French *roll* (of paper) on which an actor's part is written, and dates back to c.1600.

The main difference between building attached photovoltaic (BAPV) and BIPV is that the photovoltaic (PV) module is designed and constructed with buildings at the same time in BIPV, which makes it as ...

Be wary of the fact that Wiktionary gives "roled" word status. It's missing from other online dictionaries, such as Merriam-Webster. At best, I'd say it was an extrapolated word, which is ...
